

Emergency Kit Check List: Dog

The Humane Society of Greater Dayton wants to keep your dog safe in case of an emergency. To do so, gather these items and store them close to your emergency exit or in the safe zone of your home.

- Pet First Aid Kit (ask your veterinarian what you need to include)
- 1-2 Weeks worth of canned (pop-top) or dry food (this will need to be rotated every month or two to ensure it doesn't expire)
- Liquid dish soap and disinfectant
- Disposable garbage bags for clean-up
- Pet feeding dishes and water bowls
- Extra leash, collar and harness
- 1 Week worth of bottle water
- Flashlight with extra batteries
- Chew toy
- Blankets or bedding
- Brush or comb for grooming
- Sturdy crate or travel carrier or container that is large enough for your pet to stand, turn around and lie down
- Pet life jacket or paw protectors
- Printouts or a flash drive with all of your pet's veterinary and vaccination records
- Cage liners or puppy training pads
- 2 week supply of all medicines stored in a waterproof container (this will need to be rotated out so it does not expire)
- Recent photos of your pet in case you're separated from them

Emergency Kit Check List: Cat

The Humane Society of Greater Dayton wants to keep your cat safe in case of an emergency. To do so, gather these items and store them close to your emergency exit or in the safe zone of your home.

- Pet first aid kit (ask your veterinarian what you need to include)
- 1-2 Weeks worth of canned (pop-top) or dry food (this will need to be rotated every month or two to ensure it doesn't expire)
- Liquid dish soap and disinfectant
- Disposable garbage bags for clean-up
- Pet feeding dishes and water bowls
- Litter, scoop and litter pan (disposable aluminum roasting pans work great)
- 1 Weeks worth of bottle water
- Flashlight with extra batteries
- Brush or comb for grooming
- Sturdy travel carrier or container that is large enough for your pet to stand, turn around and lie down
- Printouts or a flash drive with all of your pet's veterinary and vaccination records
- Toys
- Blanket or cat bed
- 2 week supply of all medicines stored in a waterproof container (this will need to be rotated out so it does not expire)
- Recent photos of your pet in case you're separated from them

Emergency Kit Check List: Rabbit

The Humane Society of Greater Dayton wants to keep your rabbit safe in case of an emergency. To do so, gather these items and store them close to your emergency exit or in the safe zone of your home.

- Pet First Aid Kit (ask your veterinarian what you need to include)
- 1-2 Weeks worth of food and hay (this will need to be rotated every month or two to ensure it stays fresh)
- Liquid dish soap and disinfectant
- Disposable garbage bags, newspapers and paper towels for clean-up
- Pet feeding dishes and water bowls
- 1 Weeks worth of bottle water
- Litter pan and litter
- Pop-up pen
- Treats and chew toys
- Bedding
- Brush or comb for grooming
- Sturdy travel carrier or container that is large enough for your pet to stand, turn around and lie down
- Printouts or a flash drive with all of your pet's veterinary and vaccination records
- 2 week supply of all medicines stored in a waterproof container (this will need to be rotated out so it does not expire)
- Recent photos of your pet in case you're separated from them
